The figures speak for themselves. In terms of participation and achievement, 1963 was McQuaid's most successful cross-country year. Let's make the 1964 season even better - we have the talent to do it.

I want to thank all of you for the work and spirit and cooperation and fun that made this a great season. A special word of praise to our departing seniors, to John Curran (winner of the "Most Improved" trophy), and to manager extraordinary Dave Kostizak.

Thanks also for your very generous gift at our season-ending party. I've used it to get my own stop-watch, which I'll have engraved with the '63 team's championships.

We begin again on Sept. 1. Keep those legs in shape!
