BRIGHTON HIGH SCHOOL

Oct. 23, 1967

Dear Coach

Here are the meet results (individual and team) of the BICCM held last Saturday. If you had ribbons coming and they were not picked up, I have also included those.

Concerning next year's invitation, it probably will be held on the third weekend in October as it was this year. We will contact you definitely next spring.

I would like to thank all coaches and runners for the cooperation they gave me in getting the meet off in what I hope was good order. I also want to thank you for bearing with me on the last minute change of the course that I was forced by the weather to make.

Thanks for coming and good luck with the rest of your season.

Sincerely,

Art Nelson

Freshman: "Well, it was like this...."

The frosh race ran off-course, went about a mile over the distance, and left everyone thoroughly confused and disgruntled. For scoring purposes, it might have gone something like this:

McQuaid: 2nd of 15 Schools

6. Mike Cramer	
8. Will Martinez	
10. Mal MacKenzie	
12. Dick Sheridan	
19. Bruce Carhart	
31. Duffy Hickey	
34. Greg Smith	
72. Tom Patterson	
75. Jim Knipper	
109. Mike Dunne	
116. Joe Blake	
	Not counted in this unofficial scoring, but taking places 6, 7, and 9 in the official botched-up scoring were John Crough, Bob Wanzer, and Doug Miller.
	Because of the mix-up, the race was discounted. "Official" results had McQuaid winning, but the unofficial results are probably more accurate.

Team Scores: CBA of Syracuse 42, McQuaid 55, etc.
