1988 annual McQuaid cross-country championships

Date: Saturday, November 6

Place: R.I.T. Campus

Time: 1:30-Freshman Race

1:50-Junior Varsity Race

2:15-Varsity "B" Race

2:40-Varsity Race

3:10-Presentation of Awards

Meet Chairman: Bob Bradley, McQuaid

School Phone: 473-1130

Home Phone: 381-0146

Race and entry information:

Freshman Course: 1.5 miles, the whole second loop of the varsity course.

Varsity, Varsity "B", and JV Course: 2.5 miles, same as for McQuaid Invitational, except that first loop will be run backwards to eliminate the first sharp right turn at field house

Runners from all years may run in the varsity race.

Junior Varsity race is limited to sophomores and freshmen.

Varsity "B" race is open to all years.

Runners who have been scoring regularly in varsity competition must run in the varsity race.

Each school must run a full 7-man varsity squad in order to enter men in the JV or Varsity "B" races.

No limit on numbers in any race, but only 7 men will affect the scoring.

In case of ties, the scoring will be broken down to a dual-meet basis. If the tie still remains, we will use the C-C method of adding up the 5 times for each team. Times will come from the official time sheet kept at the finish line. If the tie still remains, co-champions will be named and duplicate trophies given.

Awards: Individual varsity champion-the Bob Bossert Memorial Trophy, in memory of the Aquinas '62 cross-country captain, who lost his life as a naval ensign in 1965. The winner will receive a small facsimile, with the large revolving trophy going to his school.

Next 6 varsity finishers- Gold cup trophies

Varsity 8-15 and 4-10 in other races- Ribbons

First 3 finishers in other 3 races-Engraved gold, silver, bronze medals

Team trophies to winners of each race.

Entry Fee: Cost of 11 trophies, 9 medals, 29 ribbons will be between \$95. and \$100. Each school will have to chip in \$25. Please make checks payable to McQuaid and send as soon as possible.

Entries: No entry blanks required in advance, but call me by Nov.4th to let me know your numbers in each race, so enough finish cards can be made up.

Past Champions

	<u>Individual</u>	<u>Team</u>	<u>Site</u>
1960	Dave McBride, McQuaid	McQuaid	Watkins Glen
1961	Tim Boland, Aquinas	Aquinas	Watkins Glen

CERTIFICATE OF EXCELLENCE
IN CROSS-COUNTRY--1971

McQUAID JESUIT High School in ROCHESTER, N.Y.
has been named as the number- 11 ranking team for the 1971
cross-country season in New York State.

STATE TRACK NEWSLETTER selected the team on the basis of its
outstanding performances, competitive record and consistently
superb efforts.

STATE TRACK hereby congratulates the coach and the team members
on their well-deserved selection.

Carson, Tech
Femenella, Tech
Escobar, Aviation
McGee, New Dorp

teams:

1. Boys
2. Bklyn Tech
3. New Dorp
4. Newtown
5. Madison

college review

The Newsletter's college coverage, in its infancy during the past X-C season, did not bring forth enough information to enable selection of a full all-state college team or a ranking of the top college teams. Also, the Newsletter continued--and will continue--to devote almost all of its energies to the schoolboys, thereby leaving somewhat of a mental vacuum for college evaluation. With greater correspondence, however, it should be possible to analyze the college scene in greater detail...hopefully, for the '72 indoor and outdoor seasons. To facilitate such analysis, the NL requests all college coaches to send their rosters, schedules and other pertinent info...and of course results of all meets as they take place.

The NY X-C season was marked by the superiority of two athletes and two teams. The athletes are Mike Keogh and Phil Ritson and their teams, Manhattan and Cornell, respectively. Both teams were dual powers. Then, Keogh led Manhattan to the Met title and both Ritson and Cornell were second behind Merrick and Penn in their "league" meet, the Heptaganals. The IC4A meet could not separate them. Ritson and Keogh were ninth and tenth, separated by one second. Cornell, sixth, beat Manhattan by three points in the team race.
