

Palladium-Times Silver Anniversary Run Titlists

Although it was undefeated in Rochester Parochial League dual meet competition this season, Saturday's triumph in the 25th Palladium-Times

Cross Country Run was a first victory in a major invitational event during the 1973 campaign and the athletes who appear in the above photo-

graph were responsible for bringing the team title to the Flower City. From left are John Farrell, who finished second, only one second in

back of the individual champion, John Reiser, Kevin Burnett, Andy Allen, Tim Lawrence, Paul Shafer and Brian Hart.

Barriers Earn Palladium-Times Medals

Six schools placed runners in the top 10 in Saturday morning's 25th Palladium-Times Cross Country Run and each of those speedsters was presented with a medal donated by this newspaper and pre-

sented by its sports editor. The 10 pictured above are shown in the order in which they finished. Kneeling, from left, are champion Don Paige of Baldwinsville, timed in 112:58, runnerup John Farrell

of the McQuaid Institute team championship, teammate John Reiser, Steve Kibling of Watertown and Kevin Burnett, also of McQuaid Institute, which won on a 48-point total. Rear row, Capt. Jon Ritson of

Oswego High, John Buckley Baldwinsville, Tom Tydings Rochester's Cardinal Moon School and Dave Leonard a Scott Hill, both of West Genesee.
