

McQUAID JOINS SECTION 5

Thursday September 13, 1973

Vol. XV No. 1

MCQUAID OPENS NEW PRODUCTION FOOTBALL FOLLIES

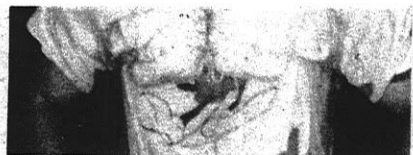

If McQ's football Knights want to march into the showers on Nov. 3 with the envy of every coach in the C-C league hot on their muddy tails, then they

Optimists said two years, pessimists said never, but 56 Section 5 Athletic Directors - said now.

Section 5 Chairman Carl Palumbo of Victor said a referendum was passed 56-30. So McQ and 6 other schools in the Section 5 area can participate in post season championships in 9 sports.

The fact that we now have opportunities to compete in sectional and even state tournaments has hit most students like a summer book list reading test on September 12, they thought it would never happen.

All Diocesan meets will now be omitted from any McQ schedule. The City-Catholic tournaments or place in standings will determine who goes to the sectionals. Third in the C-C team standings or the top 5 individually will normally get you in. Basketball is the exception to the rule as they use a point system and place in the standings has no

REGAN'S RAMBLINGS

"It is about time people realized that we must place faith and responsibility in more than four individuals to accomplish any significant number of our goals." These words of President Regan marked the beginning of an unprecedented departure from the normal student government structure for the beginning of the 1973-74 school year.

In a planning process that continued over the summer, the Executive Council (Mike

Regan- president; Dave Faraone-vice-president; Thomas Wahl- treasurer and Mark E. Magar- secretary) decided that a major shift of power and responsibility from the Executive Council to the Major Council was

necessary for a truly effective government. Dave Faraone indicated the precise nature of the power shift. "Last year was a good year, many innovations were made, but we really weren't living up to our potential. This year, the bulk of

(continued on page 2)

of Hazels health food between Sept. 30 and Oct. 20.

AQ, Franklin, Mooney and Madison are the opponents on four successive weekends. All Four teams, plus East on Nov. 3 should be infesting the T-U's Top 10, with McQ somewhere in between or even on top. Mr. Seymour feels that these five games will either make or break this years team, although he's not over looking upset minded Monroe, Edison and BK.

22 seniors return to make up the major portion of starters. 17 juniors join the team from the J.V.'s, with 4-5 planning on seeing a lot of action. The rest are vying for positions on the famous HAMBURGER squad, who are nick-named appropriately for the manner in which the starters usually leave them after scrimmages, MINCED.

Three year lettermen Roger Key and Matt Teddy along with ALL City-Catholic linebacker Mike Delagrane give us a solid base to start from. Add All Catholic safety Bill Hurley and you've got a good team already.

(continued on page 4)

So, if we were in Section 5 last year: Our Cross-Country team would have won the title, John Heyer and Mark Scott would have made the Sectionals, vast numbers of swimmers would have qualified, Tom Hanshaw and John Turbayne could have advanced to the sectionals, Greg Vowel and possibly another golfer could have ad-

(continued on page 2)

This first edition was produced by only the 3 editors. From now on though, the Lance will need writers & typists part time. Applicants must at least know the alphabet, and typists must have two or more fingers. Put any letters or articles for the Lance in our mailbox in the Principal's office or under our door downstairs. Get involved with your newspaper!!

SEPTEMBER ACTIVITY CALENDER

9/15 Football at Monroe
9/18 Soccer, Monroe* 3:45
9/20 Soccer, Charlotte* 3:45
9/22 Football at Edison
9/22 Kickoff Dance 8-11
9/25 Soccer at Jefferson 3:45
9/27 Soccer, Franklin* 3:45
9/29 Soccer at Mooney 11:00
9/30 Football at AQ (stadium)

(continued from page 1)

vanced to the State tournament, while our Track team would have sent a minimum 10 men to the sectionals and Horton and Seeger plus a two mile relay team to the State Meet.

To try to predict as to who will qualify this coming year would be foolish. Every team has a chance to make the Sectionals, as a team or as individual members of that team. Certain teams are possible Section 5 team champs, (X-C, Track) and there are a few individuals who have excellent chances of becoming the King of their event: John Heyer in wrestling, Greg Vowell in golf, Mike Hanna in the Discus, Roger Key in the 440, etc...

ance and communications. Their specific duties are outlined below.

Education committee will supervise special education days and make recommendations and evaluation concerning school curriculum and other aspects of school life related to education.

Finance Committee (composed of all the year treasurers) will make in depth analyses of all monetary requests and evaluate activity performance at the end of the year.

Communications committee (composed of all year secretaries) will work on public relations, correspondence, records of meetings, announcements, etc....

Social Action Committee will serve as a vehicle for outside agencies to bring their information and viewpoints to the student body.

Student Life Committee will draft a student Bill of Rights and Responsibilities. They also will report deficiencies in student facilities. This committee would probably be the most responsive to the wishes of the student body.

If you have interest in contributing to any committee working on a particular school issue or activity, you are always welcome in the Student Government office (it's right next to the bookstore). The key words for the success of this year's government is "getting involved".

Mark Nagar, Mike Regan, and Dave Farone, the last three from Student Council, all helping to get plans set up. John Keenan will work on transportation. Danny Cushman along with working closely with Mr. Thomas Dorney in getting all of the necessary paper work and calls made to get our ideas in operation, will take care of the scheduling problems.

TODAY! That's when you should send us comments or editorials on what your reading right now

SOCCKER

(continued from pg. 4)

Mr. Armstrong is a graduate of Cortland where he played for two years and also MCC where again he played for two years.

This is his first coaching job and all the students wish him well this season.

***Mr. Armstrong is 22 years old and as he puts it, a very eligible bachelor. Anyone who wants to start on the team need only show up at practice with an older sister, between the ages of 20-25, 5 foot 2, eyes of blue, etc.....

agencies. We are working with about 25 agencies this year in stead of the 60 some of past years. Some of these agencies include Al Sigl Center, School of the Holy Childhood, The Arts Council, Brighton Youth Agency, Monroe Community Hospital National Technical Institute, for the Deaf, the Red Cross and many others. We have chosen these particular agencies because of our redefined goals, that of getting students involved and aware of social problems. These agencies have proved to be the most popular and the most able to offer volunteer positions.

KNIGHT OF THE LAST YEAR

Well, for all of you who have been in suspense all summer as to who won the "Knight of the Year" award, it was Rick Thomas.

For people who did not know Rick, he was the main reason McQ athletes seldom sat out games because of broken funny bones.

Other top vote getters were: "Jumping" Joe Shaller, Woj, "Fritz the Cat", Chris "Faster than Hell" Horton, Tallo and everyone's favorite Tom "Beertruck" Bryan.
