

Eagle Hill Middle School
Manlius, New York
November 10, 1976

Dear Coach,

Enclosed are the results of the 1976 Fayetteville-Manlius Invitational Cross Country Run. Please excuse their late arrival. Several unforeseen difficulties arose. Enclosed you may also find ribbons from the Junior High I race. Because of a mixup in the chute, the ribbons were not distributed correctly so we ordered a new set. If you received more than one ribbon for the same runner you may use it as you wish. It was our feeling that it was better to have a few boys get more than one ribbon than to have one boy not get the one he was entitled to.

There were fifty-five schools and 1200 plus finishers making this our largest meet yet. We realize that some of the races were too large and we expect to add two more races next year. We definitely will add another junior high boys race. It is also possible that another varsity race will be added. We would appreciate any ideas you may have along these lines. Our date for next year is October 22.

We appreciate your participation and will make every effort to make next year's Invitational bigger and better. Hope to see you again next October.

Sincerely,

Mike Guzman
Dick Walters
John Harris
Jim Nixdorf
