

The Baseball Team also had a good season, going to the playoffs. This was a building year with many Juniors on the team.

The Golf Team did very well with a young team. Next year should be an outstanding year.

The Tennis Team had a good year. Next year should be even better with most of the team returning.

The Volleyball Team finished 3rd in league and went on to lose in the ¼ finals of the Sec.V playoffs. With a JV team being added this year, we should be very strong next year.

The Swim Team once again went unbeaten in City Catholic competition. Looks to be stronger next year with several strong underclassmen returning.

The Ski Teams. McQuaid sent representatives to the State meet in both Nordic and Alpine skiing. Next year should be even better.

McQuaid Hockey proved the strongest team in the Monroe County Hockey League and went to Sec.V finals only to lose to archrivals Irondequoit.

The Outdoor Track team had a very good season. It was the top ranked Sec.V team all season, and as usual, on the team there was great depth. Our 3200 meter Relay at State captured 5th place.

The Soccer Team had an excellent year finishing 3rd in league and reaching the  $\frac{1}{4}$  finals in Sec.V. The JV and Frosh were successful so next year should be exciting.

The Football Team had an excellent season. They lost to Aquinas in league and then defeated them in playoffs. We missed a Sec.V title by one foot and 20 seconds to Fairport.
