

1985 SECTION V CROSS COUNTRY REPORT

1985

The annual Section V Cross Country Meet was held at Stuart Park, Newark, New York, on Saturday, November 2, 1985. Six races were run, three girls, and three boys, representing seven different classes within the cross country format.

In the girls races, the Class A team champion was Webster, Class B team champion was Victor, and the Class C team champion was Sodus. Individual Champions were: Class A - Rachel Hosmer from Brighton, Class B - Sue Parkhurst from Hilton, and Class C - Julie Darling from Sodus.

In the boys races, the Class AA team champion was McQuaid, Class A team champion was Victor, Class B team champion was East Rochester, and the Class C team champion was South Seneca. The individual champions were: Class AA - Scott Paterson from McQuaid, Class A - Scott Knapp from Victor, Class B - Dan Stenta from Haverling, and Class C - Richard Bolt from Harley Allendale Columbia.

1985 was another great year for Section V Cross Country; the tradition continued with exceptional performances by many athletes, especially the returning runners. The 1985 Intersectional Meet saw the Girls Class A Sectional team win another State Championship (227-289 for Section 2) with an unprecedented finish order of 2nd (Rachel Hosmer, 9th grade); 3rd (Deresa Walters, 7th grade); 4th (Kim Travitz, 11th); 5th (Erika Schwarz, 11th); 6th (Rachel Horn, 12th). In addition to an exceptional performance by the Class A Girls team (with the Webster Girls earning 3rd place in the team race), McQuaid's Varsity Boys placed second (with 71 points, to William Floyd's 65). Incidentally, McQuaid was the NYS #1 rated team through September and October. The Class A Boys Sectional Team placed 2nd with 238 points behind Section 11's 196. In Class B, the Victor Boys Team, behind Scott Knapp's great 3rd place finish, placed 3rd in the team race, 1 point behind Nottingham's 121 points. In other races, the Victor Girls placed 5th, as did the Sodus Girls in their respective Team Class Championships. All in all, there were many great performances by our tradition-bound athletes. Many coaches believed that 1984 was our second best overall performance. In all, twenty medals were won.
