

GREATER ROCHESTER TRACK CLUB'S

1987 ALL SECTION V CROSS COUNTRY TEAM

The Section V boys and girls cross country teams, representing our area in the state Intersectional Championships at Old Westbury's New York Technical Institute campus on Long Island on November 14th, performed better than any other previous group for Section V in Intersectional competition.

In all, 22 individual medals were won, including the two by Richard Boldt, (HAC), state champion and course-record holder, and Deresa Walters, (Penfield), state champion and course-record holder. Our previous best medal total, under a different format, was 12 individual medals won. It must also be noted that the trip to the Intersectional Meet was longer, three days, than ever before, and thus there was greater preparation and better results for the meet.

Outstanding individual performances in Class A Boys were: Scott Brighton, Fairport, 5th; John Horkhimer, Pittsford, 11th; Jeff Emmons, Brighton, 12th; Rob Cook, Athena, 13th; Tom Smith, Webster, 16th.

Outstanding individual performances in Class B Boys were: Bernard Comer, Newark, 6th; Greg Young, Dansville, 9th; John Malach, Newark, 17th.

Outstanding individual performances in Class C Boys were: Richard Boldt, HAC, state champion, course-record holder; Scott Wawrzyniek, Alexander, 2nd; Jeff Loomis, Campbell, 4th; Ray Lawson, Jasper-Troupsberg, 17th; David Fitch, East Rochester, 19th; Steve Clancy, East Rochester, 20th.

Outstanding individual performances in Class A Girls were: Deresa Walters, Penfield, state champion, course-record holder; Becky Alfieri, Spencerport, 3rd; Linda Cyski, Pittsford, 7th; Rachel Hosmer, Brighton, 15th.

Outstanding individual performances in Class B Girls were: Heather Whalen, Churchville-Chili, 10th; Theresa Burns, Newark, 12th; Kelly Wilder, Victor, 15th.

Outstanding individual performances in Class C Girls were: Tammy Holder, Hammondsport, 20th.

By rank ordering the performance of each section by class throughout the days competition in the six class races, it showed that Section III, Syracuse, was best with a rating of 19, followed by Section V with 20. The next best performance by another section was 25.
