

# SECTION FIVE CROSS COUNTRY

YEAR END RESULTS  
1989

## COACH OF THE YEAR

The winners of the Section 5 meet are not just the runners themselves, they are also the coaches. Behind each winning team there lies a coach whose hard work and spirit has paid off and this year we present the coaches who've done so much.

The Coach-of-the-Year award is given annually to the coaches whose teams win at the Section 5 meet. There is one award given in each class (the class a school falls into is determined by the school's size). And now, we present to you, this year's recipients of the Coach-of-the-Year award:

Boys

Class A.....Rick Guido, Fairport  
Class BB.....Todd Palmerton, Batavia  
Class B.....Bernie Gardner, HFL  
Class CC.....Winn Hat, E.Rochester  
Class C.....John Welc, Avoca

Girls

Class A.....Nancy Booth, Fairport  
Class B.....Gary Thompson, Victor Central  
Class C.....Mike Woods, York Central

The coaches with the winning spirit-

Rick Guido of Fairport High School has enjoyed the honor of coaching five winning sectional teams (three boys teams and two girls teams) and 13 teams that went on to receive divisional titles. His coaching experiences have also included the chance for him to work with some very spectacular athletes including: seven individual Sectional Champions, one individual State Champion, two individual Federation Champions, and one All-American. Rick Guido received the State Honor Award in 1980, as well. He has been coaching for 16 years and has previously coached at Rush-Henrietta.

Todd Palmerton of Batavia has been coaching young athletes for more than ten years. This is the second time he has been honored for a sectional champion team. Besides his outstanding abilities as a cross country coach, he has also shown strength in coaching a sectional winning wrestling team.

Bernie Gardner of Honeoye Falls-Lima has a reason to be proud this year after having coached his first Class B champion team. Beyond that, he has found his place coaching one of the state's best ski programs. Don't forget, behind every outstanding team (ski or cross country) lies an outstanding coach.

Winn Hat of East Rochester looked at his third Class CC team. This is a coach who stands alone at E.Rochester as the mentor of the running program. He has coached a number of sectional champions and raised the level of his athletes' running to incredible heights.

John Welc of Avoca is to be commended for coaching his first sectional winning team. He has also brought forth one of the strongest Class C teams seen in years.

Nancy Booth of Fairport is a coach who is proud to say this is her second winning sectional team. She has enjoyed the honor of bringing forth a strong team which deserves to be commended for their hard work and effort. Her teams have been state ranked for a considerable length of time. The experience of this coach has been gained over a period of eight years.

Gary Thompson of Victor has been sharing his love for running for 20 years. During that time, he has won nine Section 5 team Championships (including seven consecutive Class B Section 5 girls titles and a 1988 team that finished sixth in the state). Before coaching for Victor, Gary Thompson worked with teams at both Wayne Central and Rush-Henrietta High School.

Mike Woods of York Central has a lot to pat himself on the back for. His list of accomplishments include: ten Section 5 Class C Championship boys teams, 104 boys meet victories from 1972-1980, five Livingston County Girls League titles since 1983, and four sectional winning girls teams. The list, however, doesn't stop there. Mike Woods is the one responsible for starting both the Boys Cross Country (1971) program and the Girls Cross Country (1983) program at York Central High School.

The Coaches-of-the-Year are to be thanked and honored for their dedication to their athletes and conveyance of the winning edge. Congratulations to all!!!

The winners listed above will each receive a plaque from the Greater Rochester Track Club and the knowledge of a job well done.
