Dear Coach Bradley:

On behalf of the National Federation headquarters staff and our membership nationwide, I would like to thank you for writing me regarding the update of the McQuaid Jesuit High School boys cross country team consecutive dual victory streak.

In response to your question, it will not be necessary for you to submit a new application regarding the extension of the winning streak each year. However, we would greatly appreciate it if either the New York State Public High School Athletic Association or McQuaid Jesuit High School could notify us of the streak's status at the conclusion of each season. The letter that you forwarded me will satisfy our needs for this year's entry.

Again, thank you for you letter. If you have any questions, please do not hesitate to contact me.

Sincerely,

John Gillis
Assistant Director

To: John Gillis, Assistant to the Director
Natl Fed. of State H.S. Assn.

You should have on file from the NYSPHSAA
our record application for 194 consecutive
dual meet victories in cross-country dating
back to 1971.

In the 1996 season, only one of the teams in our
league had a complete team, so our record was
extended only to 195.

Do we have to submit a new record application
after each season or will you simply change the
record as we or the NYSPHSAA notifies you?

Thanks for your assistance in this matter.

Dear Coach Bradley:

I would like to thank you for your letter of August 29. For your information, the National Federation publishes the National High School Sports Record Book, and your team's mark of 181 consecutive dual cross country meet victories would rank among our all-time leaders.

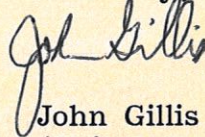

To that end, enclosed is the appropriate form for your use. Simply complete the form as indicated, and send it along with appropriate documentation to the New York State Public High School Athletic Association at the following address:

New York State Public High School Athletic Association
Attn: Floyd N. Jones
88 Delaware Avenue
Delmar, New York 12054-1599

Once the NYSPHSAA has reviewed and approved your record application, they will in turn forward it to the National Federation.

I appreciate your assistance in this matter. If you have any questions, please do not hesitate to contact me.

Sincerely,

John Gillis
Assistant to Director
