**RESULTS OF THE 33RD ANNUAL MCQUAID INVITATIONAL
GENESEE VALLEY PARK - ROCHESTER NY - 9/27/97**

Weather: Perfect. Sunny and mild all day. Temp, ranging from mid-50's to low 60's.

Courses: 3.00 miles for all races except Jr. High. 1.57 for Jr. High. New looping was used for both courses. Rolling hills; deceptively difficult for a "flat" course.

Along with these results come some of the following, depending on your runners' places:

1. First place finish cards from each race as a keepsake for the winners.
2. "Elite Runner" patches for those who did not receive them at the meet. Thanks to an overrun by our supplier, we had 43 patches instead of the 30 that we had promised. Looking at the places and times, we selected 22 boys and 21 girls, whose performances, though not in the top 10 of the unseeded races or top 30 of the seeded races, still had great merit.
3. Photographs of your individuals and teams, most of them taken by the meet photographer, Mr. Keith McMakin, who does great work. If you wish to contact him, his address is 3 Colonial Drive, Fairport NY 14450.

Some final statistics for you: The two teams whose names will be added to the Fastest Team plaques are (Boys AAA) - Chaminade 80:04, for a 16:00.8 average
(Girls AA) - Horseheads 94:18, for an 18:51.6 average

The other seeded winning teams' cumulatives were:

(Boys A) - Beaver River 80:37
(Boys AA) - Walsh Jesuit (Ohio) 84:07
(Girls A) - Seneca East (Ohio) 95:22

Thanks to all of you who cooperated in filling out the finish cards for these summaries.

GOOD LUCK WITH YOUR PROGRAMS! HOPE TO SEE YOU NEXT YEAR ON OCT. 3RD.
