Robert K. Conway
Eastern States Meet Director
201 - 599-9882 (after 7 p.m.)

March 15, 1986

Dear Coach:

On behalf of the Executive Committee of the New Jersey Catholic Conference, I wish to sincerely thank you for your continued support of the Eastern States Invitational Track and Field Meet. Each year we endeavor to improve the quality and performance of the meet. We are committed to continually seek methods of improvement, so that the Easterns will continue to be the finest interscholastic meet in the country.

This year the Easterns had entries from 244 schools, representing ten states and the District of Columbia. Next year a serious endeavor will be to schedule the Easterns so that the meet will be sanctioned by all Eastern States. I am presently working with our area representatives in each state to determine a date for next year's Easterns. By way of information, the I.C.A.A.A.'S will not be held at Princeton in 1987, this will open some dates on the Princeton calendar. If you have any comments or suggestions, I would be extremely interested in hearing from you. If any of your athletes established a record, I will be happy to make the official notification for you - you can contact me at the above number.

I am

Sincerely,

Robert K. Conway
Meet Director
