Indoor Meet #10

UB Indoor Classic
Univ. of Buff.
Mon. 1/18/88

300M - (1st) Scott Romanowski 37.8 (Meet Record) 12.6 - 12.4 - 12.8
(6th) Justin Berko-Boateng 39.2 12.5 - 12.5 - 14.2

600M - (5th) Mickey Stone 1:31.5 30.1 - 30.6 - 31.8

1000M - (2nd) Brad Sumner 2:37.5 30.2 - 32.6 - 33.6 - 32.5 - 28.6
(5th) Chris Cusack 2:45.6 31.2 - 32.7 - 33.8 - 33.6 - 34.3

1600M - Jason Fahy 4:44.6 ("a neat race") 67.7 - 2:20.4 - 3:32.4

3200M - Steve Foley 10:38.3 2:27.5 - 2:37.4 - 2:50.1 - 2:43.3
Marc Dovi 10:45.5 2:27.5 - 2:37.4 - 2:49.8 - 2:50.8

Field Events - PV - Khanh Nguyen NH, out at 9-0
HJ - Dan Riley NH, out at 5-6
LJ & TJ - cancelled because of unsafe pit.

4 x 200 Relay - 1:45.5 Chris Adin 26.2
Dan Riley 26.5
Mickey Stone 26.1
Khanh Nguyen 26.7

4 x 400 Relay - (2nd) 3:35.8 * Berko-Boateng 55.6 26.3 - 29.3
Cusack 54.5 25.7 - 28.8
Sumner 51.6 ** 24.8 - 26.8
Romanowski 54.1 26.2 - 27.9

* Second fastest 1600M ever for McQ indoors. Our school record is 3:35.1, set in 1985 at West Point.

** Fastest 400M relay split ever for a McQ runner indoors.

4 x 800M Relay - (2nd) 8:24.2 Romanowski 2:08.1 31.6- 65.1- 1:36.9
Adin 2:11.0 29.2- 61.3- 1:34.8
Sumner 2:01.0 29.5- 60.6- 1:32.0
Cusack 2:04.1 28.3- 57.5- 1:29.4

No team scoring. Counting the above places as 10-8-6-4-2-1, McQuaid would have scored 41 points. Unofficially, the scores for Section V schools would have looked like this:

Penfield 46, McQuaid 41, Geneva 37, Franklin 32, Fairport 22, etc.

("Interesting note": in last year's meet, Geneva beat Webster for first place, 39 1/2 - 37 1/2, unofficially. Those same two schools were 1-2 in the Sectionals, Webster 42, Geneva 40.)

P.S. - Two factors not included above: LJ and TJ were not held. We would figure to outscore Penfield there. And a number of good

McQuaid long jumper stops CBA short

By Gene Levy

Staff writer

TROY — Justin Berko-Boateng is tough to spell and even tougher to beat.

Saturday, the junior long jumper from McQuaid High School of Rochester leaped 20 feet, 9 inches on his last jump to improve from fourth to second place and give McQuaid a 47-46 victory over nine-time

boys champion CBA in the Engineer Games at Robinson Gym.

Fonda edged Arlington for the girls title.

It capped a day of conquest for entries from the west who showed their heels to some of the best high school runners in the Capital District.

John Horkheimer of Pittsford-Mendon spoiled an awaited 3,200-meter matchup between Suburban Council stars Dieter Drake of Guiderland and Todd Orvis of Colonie. Horkheimer, the fifth-place finisher in the Kinney National cross country championships at San Diego, came from far off Orvis' torrid early pace to win in 9:34.5. Drake came on to beat out a faltering Orvis for second place.

Another Western New York star was freshman Rachel Hosner of Brighton, who set a meet record of 36.3 in the 300, and later came back to destroy 1,500-meter winner Becky Johnson of Columbia in the 1,000 with a fast time of 3:04.2.

Still another conquering invader was Brad Sumner, a junior from McQuaid, who held off a furious but belated kick by 600 winner Bill Gathen of Colonie.

Veteran CBA assistant coach Don Gallagher observed the strength of the visiting teams, noting dryly: "Let's face it. You don't bring bad teams 200 miles."

Engineer Games

For the most part, it was a mixed bag for Section II entries. The most heroic was Holy Names sprinter Connie Pogue, who won a double in the 300 (42.0) and 45-meter dash (6.1), both personal bests, despite having been idled for the past couple of weeks by tendinitis of the calf and Achilles tendon.

"I'm shocked. I didn't think I was going to be able to finish the 45," said Pogue, who treated her injuries in a pool.

CBA and Colonie, who are resuming a once-hot indoor boys rivalry this winter with the return of the Garnet Raiders to prominence, both could look back on disappointments that cost them heavily in the final team score.

"Our shot putters and pole vaulters could have done better," CBA coach Cliff Lehman said. "Kevin Montimurro has vaulted 13-7½, but he did only 12-6 (second place) today."

Lehman, however, was pleased with junior pentathlon prospect Alex Riley, who earned 20 points with a 6-2 personal best victory in the high jump, a third in the shot put, and a fourth in the 50-meter hurdlers despite falling.

Colonie coaches Frank Meyer and Paul Gansle could look back on disappointing results from Orvis and their two swift sprinters, William Scott and Dave Robinson. Scott failed to qualify for the final and Robinson was given a third behind Joe Elamin of Pennfield (5.3) and Vaughn Chestnut of Troy, both of whom were under the meet record.

Another Troy swifty, hurdler Jeff York, produced one of the day's bigger upsets, beating favored Dave Handron of Gloversville.

"We always felt he could be competitive with him," Troy coach Ed Cepiel said of York, who lost a previous race to Handron last week when he hit a hurdle.

Albany High junior Scott Carroll ran away with the 1,600 in 4:27.3, his first time under 4:30, and immediately predicted he would break 4:25 by the time of the indoor state meet.

"I felt great," said Carroll, who pumped his fist in exultation. "This is a milestone. My problem has been I've been too tight for races, but my coach (Stan Gaserowski) told me to relax and that's just what I did."

The most stunning result was the boys' 3,200, which matched three of the best juniors in the state. Orvis, running his first metric 2-mile since the Eddy Meet last year, cut out a fast early pace, running the first half mile in 2:15 and the mile in 4:35.

At one time, he led by 25 yards, but a fast 62-second third quarter took its toll.

Horkheimer, who ran much of the race on the outside, came on strong. Meanwhile, Drake, who surprised Orvis in the Section II cross country championship, also rallied to beat his Colonie rival for the first time in track.

"Just after the half, I saw (Orvis) put on a surge," Horkheimer said. "I knew it was way too early for a surge." Horkheimer explained his strategy of running on the outside.

"The turns here are real sharp. I wanted to cut the tangents," he said. "It helped a lot."

Drake said he thought Orvis' last collapse might convince him to pass up the 3,200 for the 1,600 in the state meet qualifier. However, Orvis, whose conditioning was set back by missing much of the cross country season because of illness, said he is not convinced he should drop the 3,200.

McQuaid's Sumner Places

In National Indoor Meet

While his teammates stayed home for a change, McQuaid junior Brad Sumner hit the road for a fifth straight weekend to run in the invitational 1000 meters at the U.S. Olympic meet in New Jersey last Saturday.

Sumner took on some of the best talent in the East and placed fifth with a 2:33.63 in a race won by Clarence's Dennis Webster in 2:28.24. His last-lap charge just missed taking fourth place as Brighton's Rachel Hosmer had 15 minutes earlier with a 2:57.60.

"Neither Brad nor Rachel felt comfortable on the banked boards, and I think it affected the aggressiveness they usually show in moving up in the race," said McQuaid coach Bob Bradley after the meet. "But it was a great experience for them, and it should help for the big meets coming up."

Sumner saw another familiar face at the meet in the person of Colonie's Bill Gathen, who finished sixth. A week earlier at the Engineer Games in Troy, he had held off Gathen to save two first places for the Knights as they captured the team championship over Christian Brothers of Albany and Colonie, 47-44-42.

In the 1000 meters, Gathen tried to sprint from sixth place into the lead on the last lap and nearly succeeded. He caught Sumner about 75 yards from home only to have the McQuaid runner fight him off and pull away for the victory.

In the meet's last track event, the

1600-meter relay, it was Sumner against Gathen on the anchor leg and again Sumner wouldn't let his rival past. He held on to the lead given him by junior Scott Romanowski and seniors Chris Adin and Chris Cusack and won in 3:36.4.

That set the stage for McQuaid senior Justin Berico-Bonteng to pull out the team title in dramatic fashion in the long jump. He came up with 20 feet 9 inches on his last try to move from fourth place to second and gain the four points needed to edge CBA.

The Troy meet also saw Sumner lower his school record at 300 meters to 36.6 as he tied Penfield sprinter Saadiq El-Amin for third place.

No records fell last Friday at Roberts Wesleyan where the rest of McQuaid's team was in action, but Berko-Boateng had a good double with a 6.14 50 meters and a 20-5¾ long jump. McQuaid's 3200-meter combination of Jason Fahy, Chris Cusack, John Schell, and Steve Foley won in 8:36.8, and another first came from freshman Mark Spagnola who won his section of the 1000 in 2:57.

Cusack barely missed winning his first try at 600 meters, leading off a slow pace until Edison's Anthony Simmons nipped him at the line in 1:28.8. He'll try that distance again in this Saturday's Southern Tier Classic at Cortland, where many Section 5 teams will compete against host Section 6.

Dear Coach,

Thanks for being a part of the Tenth Annual Southern Tier Track Classic held this past weekend at SUNY Cortland. Enclosed you'll find a copy of the results with an updated list of meet records.

I know as I travelled home Saturday night that we had just completed a magnificent high school track meet. A total of 34 teams had competed and besides being only a mere 5 minutes off schedule (that really amazed me!) a total of 9 new meet records were set: Brian Studymine (Ben Franklin) 600m, John Horkheimer (Pittsford) 3200m, McQuaid's 1600m Relay team, Scott Garrett (Cortland) Triple Jump, Zilla Higgs (Rochester East) 55m, Deresa Walters (Penfield) 1000m and 1500m, Christy Izzo (Brockport) 1500m Racewalk, and Penfield's 3200m Relay team. Besides the new meet records, how about Jenny Peet's (Delhi) blistering 3000m victory, Zilla Higgs (Rochester East) double victory (55m and 300m) as well as Elizabeth Steinwach's (Churchville-Chili) double victory (long jump and triple jump) and Newark's domination of the 800m Relay? How about McQuaid's workhorse Brad Sumner (who by the way made the vote for Outstanding Athlete real close!!) in winning the 1000m, 4th in the 1600m, and then that magnificent anchor leg of the mile relay against an outstanding athlete in Brian Studymine (Defending State Champ in the 600m) In fact, who will forget the fabulous duel between McQuaid and Ben Franklin?? Best of luck to both teams at your Sectionals!! The team scoring was intense and we crowned 4 new champions as well - all in all it really was a great meet!!

Please mark your calendars for the same Saturday next year as we continue to strive to make the Southern Tier Track Classic one of the finest indoor high school track championships in New York State. I dare say that our meet records stack up nicely against most major meets in the State already!!

Hope you can be a part of the Eleventh Annual Southern Tier Track Classic in 1989!! Best of luck to you and your team in the upcoming State Championship!!

Yours in Track and Field,

Daniel R. Hurley,
Principal

McQuaid Indoor Trackmen

Win Southern Tier Classic

Getting close to maximum production from eight athletes, McQuaid Jesuit's indoor track team came up with 68 points to score a convincing win over 14 Class A rivals in Saturday's Southern Tier Classic at Cortland State's field house.

Leading the way with 16½ points each were senior Chris Cusack with a first in the 1600, a fourth in the 600, and leadoff leg on the winning 1600-meter relay, and junior Brad Sumner with a first in the 1000, a fourth in the 1600, and anchor leg on the 1600 relay.

Next came junior Scott Romanowski with 14½ points on two thirds in the 300 and 600, as well as a leg on the relay. Senior Justin Berko-Boateng added 8½ in the long jump, triple jump, and relay, and junior Dan Riley chipped in four with a fourth in the hurdles.

The final eight points for the Knights came from the 3200-meter combination of sophs Jason Fahy and Steve Foley, junior Mickey Stone, and senior John Schell who produced a second place in their race.

"I thought we could score between 55 and 70 points, and it isn't too often that the results favor the higher figure," said a pleased coach, Bob Bradley. "That's the kind of day we'd like to have at the sectionals."

All three of McQuaid's wins came on last-lap efforts. Cusack was challenged by Alexander's Scott Wawrzyniek heading into

the final 200 meters and responded by pulling away to a 10-yard margin in 4:28.4, his best indoor time.

Sumner, who kicked past two men to take fourth behind Cusack, had won the 1000 earlier by holding off Spencerport's Mike Irving with a 28-second final lap to finish in 2:38.7.

In the meet's final boys event, McQuaid went head-on against Section 5's perennial 1600-meter relay champs, the Franklin Quakers, who had beaten them by more than two seconds at Buffalo last month. This time, the Knights grabbed the lead on a 54.8 leg by Cusack, lengthened it slightly on a 54.1 by Berko-Boateng, and still were up by 10 yards as Scott Romanowski's 53.1 sent Sumner off ahead of Franklin state champ Brian Studymine.

That lead lasted for only a half-lap as Studymine flew past Sumner toward an apparent win. But the McQuaid junior went right with his Franklin rival, made one unsuccessful passing attempt, then outstrode him down the home straight to win by a lean in a meet and school record 3:33.3.

"It was one of those great finishes you see a few times each season. What a way to end the meet!" said Bradley.

This Saturday, the Knights will go after the RWTL Class A championship in an all-day meet at the University of Rochester Field House, beginning at 10 a.m.

McQuaid's Track Team Strikes Gold

McQuaid Jesuit's indoor track team struck gold for the first time in nine years Saturday with a convincing victory over Penfield and 32 other schools in the Section 5 championships at the University of Rochester.

Thirteen athletes contributed to the Knights' victory total of 77, which put them comfortably ahead of Penfield's 57. Geneva (36) edged East (34) for third spot.

The scoring actually began Friday night with senior Justin Berko-Boateng grabbing a first in the long jump and a second in the triple jump, with school record performances of 21-6¾ and 43-11. The jumpers had the spotlight all to themselves Friday, and they responded with the best and tightest competitions in sectional history.

The long jump had four men out more than 21 feet, with Berko-Boateng taking his sectional patch by three-quarters of an inch over Brockport's

Jesse Long. In the triple, three men broke the meet record. Berko-Boateng opened with his 43-11. Geneva's Jim Wilson matched that on his first try and then upped it another inch and a half on his second for the eventual winning distance. Long came close with two jumps of 43-8, also over the meet record, but this night good for only third.

Senior Marc Dovi started the Knights off right the next morning by taking a sixth in the 3200M with his best time of 10:12. In the 1000M race, sophomore Jason Fahy and senior Chris Adin picked off two runners seeded ahead of them to take a fifth and sixth behind Sumner's winning 2:35.1, best of the season at U of R.

McQuaid continued its multiple scoring with a second and fifth in both the 600M and 300M. Junior Scott Romanowski had a personal best of 1:25.9, chasing defending champion

(Continued from Page 1C)

Brian Studymine in the 600, with senior Chris Cusack taking fifth in 1:27.5. In the 300, it was Sumner nipping Penfield's Saadiq El-Amin for second in 37.7, with Romanowski another four-tenths back in fifth.

Cusack came within a few yards of a win in the 1600M, taking the lead from a tough field with a lap to go and holding it until Greece's Rob Cook squeezed by on the inside just before the finish. Cook was timed in 4:28.2, a tenth ahead of Cusack's personal best.

Heading into the relays, the Knights had the team title in hand, and it was then that they encountered their lone setback of the day. In the 3200M relay, McQuaid was upset by Penfield on a stunning 1:58 anchor leg from Eric Blumenau, who raced past Cusack and Tyler Ricks of Pittsford with 300 meters to go and held off Cusack by a yard for the win in 8:27.

(Continued on Page 6C)

"That one hurt," said McQuaid coach Bob Bradley. "We had spread our lineup out for sectional points and gambled a bit with less than our best team in the 3200. We were OK, too, until Blumenau went wild. I feel bad for our top team, because they had run so well to win the Easterns (in 8:03) on Monday. Next time I'll know better."

McQuaid came back with a strong second behind Franklin in the 1600M relay, as Romanowski, Fahy, Adin, and soph Terry Wolak teamed up for a 3:41.1.

In the meet's finale, the Knights added their last point as Berko-Boateng gave their 800M relay a good lead with a 24.3 lead-off leg, and juniors Greg Beale and Clay Berardi and soph Dan Muscatell held on against Brockport and Penfield.

The Section 5 trophy is the 12th that Knight runners and field men have put in the school's cases, adding to the seven won in cross country, three in outdoor track, and the lone previous indoor award in '79.

This weekend it's on to the state meet at Cornell's newly resurfaced Barton Hall track, beginning at 10 a.m. Saturday. Then on Sunday, the Knights' 3200M relay will close out the indoor season in the National Scholastic Championship meet at Yale.

THE FRANK GAGLIANO 1,000-YARD RUN

Frank Gagliano was the coach at Roselle Catholic High School from 1960 until 1969, where he developed some of the finest middle-distance stars in the history of the New Jersey Catholic Track Conference. His 1969 two mile relay team still holds the national indoor record. This event is sponsored in his name by a friend.

THE JOHN GIBSON TWO-MILE RELAY

John Gibson was a 1928 Olympian and held the world record in the 440-yard intermediate hurdles for over twenty years. He has served our sport as both an international coach and official for over fifty years. We are deeply indebted for his contribution to track and field. Sponsored by Bernie and Mary Donegan, Bob and Pat Carter and their families.
