"THE EASTERNS"

America's Premier Interscholastic
Indoor Track and Field Invitational

March 6, 1989

Meet Director
Robert K. Conway

Dear Coach:

On behalf of the Executive Committee of the New Jersey Catholic Track Conference, I wish to sincerely thank you for your continued support of the Eastern States Track and Field Meet. Once again this year we were able to make a few administrative changes in an effort to make the meet qualitatively and quantitatively better. We allowed the extra heats in the Dash and Hurdles because the Seeding Committee felt there was no just way to limit the field. Our basic feeling has always been, "let the athlete compete whenever possible."

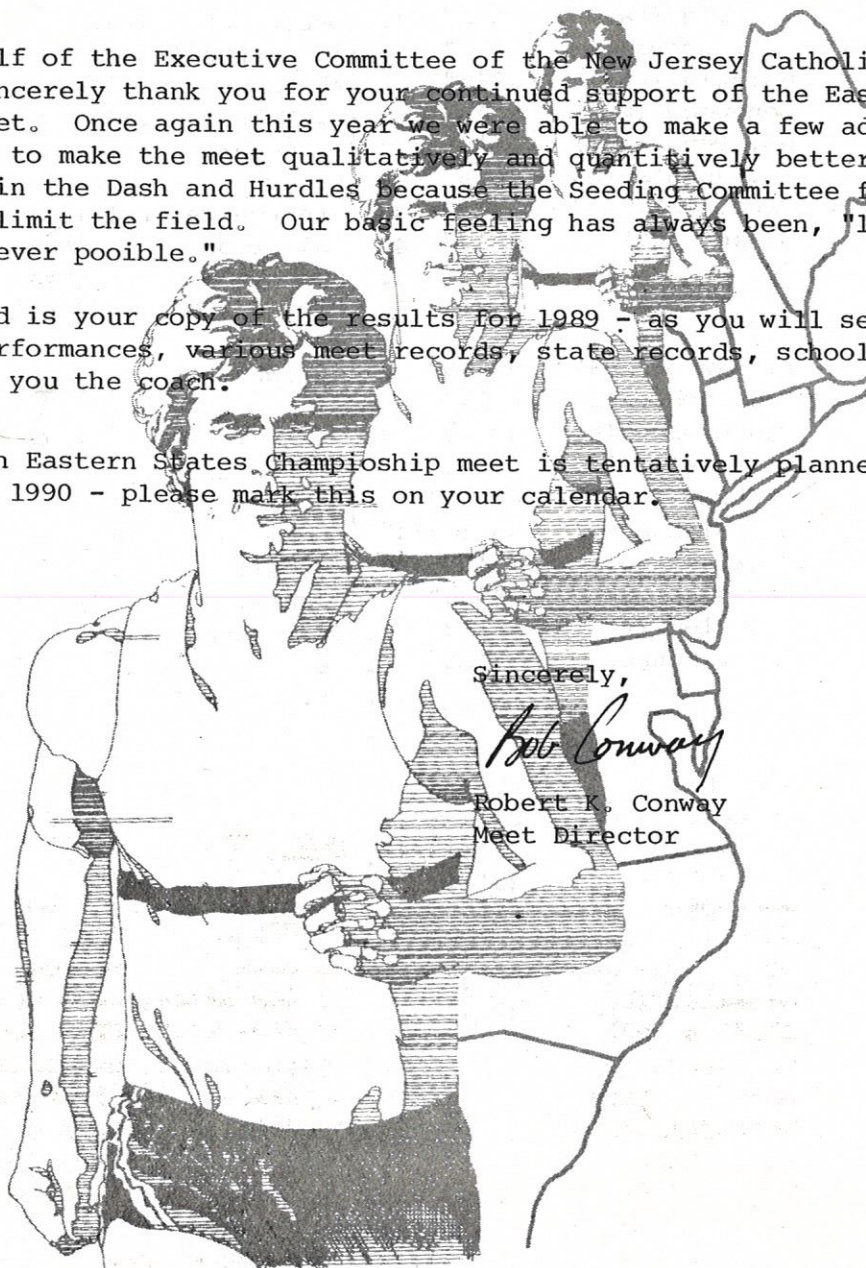

Enclosed is your copy of the results for 1989 - as you will see we had some excellent performances, various meet records, state records, school records. This is a tribute to you the coach.

The 55th Eastern States Championship meet is tentatively planned for Monday evening, February 26, 1990 - please mark this on your calendar.

Sincerely,

Robert K. Conway
Meet Director
