H.S. POLLS

Top-ranked McQuaid prepares for Mooney and Aquinas Relays

By Gary Fallesen

Democrat and Chronicle

"Technique," said McQuaid track and field Coach Bill Quinlisk, "is really suffering in events like the high jump, shot put and discus because of the weather. You need nice days to get out there and work with the kids."

Despite poor conditions so far this season, the Knights are 2-0 in dual meets, 3-0 in invitational and top-ranked in the *Democrat and Chronicle* Section 5 coaches poll.

McQuaid missed running into its top-10 competition when it elected to attend the Hornell Invitational this past weekend rather than the His and Hers at Franklin High School.

"I couldn't go to the His and Hers (Invitational)," explained Quinlisk. "I don't have any hers."

Instead of competing as half a team in the unique combined-scoring meet, the Knights' presented their all-male school with another invitational championship. That title, coupled with Penfield's upset of previously top-ranked Rush-Henrietta earlier in the week, lifted McQuaid back to the No. 1 poll position.

The Knights, top-ranked much of last season, will defend their No. 1 standing against seventh-ranked Cardinal Mooney in a City-Catholic League meet Wednesday. Then, as Quinlisk said, "the real test" will be Saturday at the Aquinas Relays.

"That will be a barn-burner," he said, "with (defending champion) Brooklyn Tech coming in and the Syracuse area's best teams (like Liverpool and Henninger) and Clarence (of Buffalo-area Section 6) coming over again. We're hoping for a good showing. Maybe this is our year."

It certainly has not been a good year for competing outdoors. The weather will keep local athletes from "popping some good times and distances" until late in the season, according to Quinlisk.

Rush-Henrietta (2-1) found out how miserable conditions can get when it lost its season-opener Tuesday at Penfield in the cold and rain, 82-59. As a result, Rush-Henrietta slipped to No. 3. The Chiefs (4-1) moved from No. 5 to No. 2.

• Penfield's girls remained the top-ranked team in the Greater Rochester area. Combined, the boys and girls of Penfield placed third at the His and Hers behind first-place finisher East and runner-up Greece Olympia.

Penfield and Brighton are the only two schools that have teams ranked among the area's top 10 in both boys' and girls' track. Brighton is a new-comer this week in both polls — No. 8 among the boys and No. 10 among the girls.

Irondequoit remained top-ranked in baseball, while Fairport was a unanimous No. 1 pick in softball.

Aquinas Relays attract Upstate's best

Of the numerous track and field invitationals planned across the state tomorrow, the 21st annual Aquinas Relays take a back seat to none.

A record 41 teams and more than 500 athletes are scheduled to compete, including 17 from outside Section 5, in the meet at the University of Rochester's Fauver Stadium.

Incredibly, many local teams chose to stay away.

"No other meet in our section brings in this kind of talent," Aquinas Coach and meet director **Tom Gigliotti** says. "Without pointing fingers, we have some schools in our area that don't come to our meet, who choose to go to other meets. Quite frankly, you can't beat the best if you don't run the best."

Thanks to Aquinas' commitment to the relays, help from UR and financial backing of area corporations, Rochester is on the high school track and field map one weekend of the season.

One indication of the Aquinas' Relays popularity is the fact 10 of the out-of-town teams entered are from the Buffalo area. They're all bypassing the Western New York Track Classic.

"They come because we run a lot of relay events that involve more kids," Gigliotti says. "And frankly, we have better facilities and better awards than most meets."

Of the athletes to watch, several are from defending team champion Brooklyn Tech. **Dirk Morris** has the state's fastest time in the 110 high hurdles (13.7) and teammate **Cliff Bishop** (14.2) is right behind. **Miguel Matos** has a sub-9:20 in the 3,200 meters.

Other top talents in the field will be Liverpool's **J.J. Grant**, the No. 1 shot putter (64-11½) in the state and Clarence's **Dan Garrett**, a 4:15 miler who was the No. 1 runner on last fall's top-ranked cross country team.

Locally, distance runners **Jim Cooney** of Mendon, **Joe Burke** of Sperry, **Dan Fernandez** of Greece Athena, **Dan Redding** of Dansville and **Jack Countway** of Pembroke will make the 1,600 and 3,200 meters among the most hotly contested events.

Other area athletes who promise to push the out-of-towners are Lyons' **King Lewis** in the long jump (22-4), East's **Ken Burke** in the 200 meters (22.0), Sperry's **Martin Ellis** in the 400 hurdles (56.8), McQuaid's **Chris McGuire** in the 100 (10.8) and Webster's **Jim Andolsek** in the 800 (1:57.3).

Favorites for the team title are Brooklyn Tech, last year's runner-up Liverpool, Clarence and Bishop Turner of Buffalo and locally, McQuaid, Rush-Henrietta, Penfield, East, Gates-Chili, Monroe, Pittsford Mendon and Aquinas.

Field events begin at 11 a.m. Running events begin at 11:30 a.m. Admission is free.

U.S. NOTEBOOK

Steady, not flashy, efforts by McQuaid a threat at relays

By Gary Fallesen

Democrat and Chronicle

McQuaid may not have the hurdlers to beat Brooklyn Tech, the sprinters to beat East or Syracuse Henninger, or the weight men to beat Liverpool at the 21st annual Aquinas Relays. But the Knights are the team to beat.

"They may not win many events, but they'll certainly score in quite a few of the events," said Aquinas Coach Tom Gigliotti yesterday. Gigliotti, as meet director, has access to each of the 40 high schools' entries.

The largest field ever will take to the University of Rochester's Fauver Stadium track at 11 o'clock Saturday morning and McQuaid has the best "balance across the boards," according to Gigliotti.

Brooklyn Tech, a school represented by individuals like 110-meter high hurdler **Dirk Morris** (13.7 seconds) and 3,200 runner **Miguel Matos** (sub-9:20), is defending champion. The Engineers outdistanced runner-up Liverpool of Section 3 (Syracuse area) by 34 points last year.

Morris and Liverpool shot putter **J.J. Grant** (64 feet-11½ inches) are national class competitors. Grant, a junior, is the defending state champion and junior class recordholder.

State class competitors like Clarence's **Dan Garrett** in the 1,600 (4:15.2), Lyons' **King Lewis** in the long jump (22-4), East sprinter **Ken Burke**, R-H hurdler **Martin Ellis** and Brooklyn Tech's **Matos** also will be featured. **Matos**, though, will be challenged by several strong local distance runners — like Rush-Henrietta's **Joe Burke**, Greece Athena's **Dan Fernandez**,

Dansville's **Dave Redding** and Pembroke's **Jack Courtney**.

The 3,200 will be the day's first running event, starting at 11:30 a.m. It is one of three individuals events — along with the pole vault and high jump — which will be scored 8-6-4-3-2-1. The long jump, shot put, discus, 440 shuttle hurdle, distance medley, sprint medley, 400, 800, 1,600, 3,200 and 6,400 relays will be scored 10-8-6-4-2-1.

McQuaid, which is top-ranked in the *Democrat and Chronicle* Section 5 coaches poll, is one of six top 10 teams scheduled to attend. Also entered are No. 2 Penfield, No. 3 Rush-Henrietta, No. 5 Aquinas, No. 9 Pittsford Mendon and No. 10 Gates-Chili.

A team to watch, however, is East. The Orientals are coming off a 75-72 victory over Aquinas and a first-place finish in the His and Hers Invitational.

East's only dual-meet loss came against seventh-ranked Cardinal Mooney, 78-70. It is 3-1 and in contention in the City-Catholic League Division 1 race.

"East definitely is for real," Gigliotti said, adding that the Orientals' 800 relay team will be among the favorites Saturday. "McQuaid is top-heavy — nobody's going to touch them — but the City-Catholic League has the best balance I've seen in nine years."

Another City-Catholic League team, Monroe, will be represented by a 1,600 relay team that ran a 3:23.9 last month at the Penn Relays.

Brooklyn Tech won the 440 shuttle hurdle, distance medley, sprint medley and 1,600 relays last year, while Rochester area competitors won only four of the 14 events.

Boys' track

City-Catholic League: Franklin (3-1, 3-1) upset Aquinas (2-2, 4-3), ranked fifth in the *Democrat and Chronicle* coaches poll, at Franklin, 76-66. **Robert Lewis**, **David Donaldson** and **Robert Porcha** were double winners for the Quakers ... East's 400-meter relay team of **Terry Richards**, his brother, **LaVonne**, **Ken Burke** and **Carlton Davis** posted a Section 5-best time of 43.4 seconds as the Orientals (3-1) defeated Edison (1-3) at East, 85-60. Richards won the 400-meter dash (:53.6) and 400-meter hurdles (1:06.3). **Kirk Sanders** of Edison won the triple jump at 44 feet, 8 inches, a Section 5-best distance ... McQuaid (4-0, 4-0) defeated Cardinal Mooney (2-3, 2-3), 96-50, and Bishop Kearney (1-4, 1-4), 104-41, at Edison. McQuaid's **Chris McGuire** tied the school record in the 100-meter dash (:10.8) and won the 200 dash in :22.5. **Bob Henkel** won the 110 hurdles (:15.4) and 400 hurdles (1:00.5) for the Knights. **Paul Hilling** won the 1,600- and 3,200-meter runs for Mooney.

McQuaid, Fairport voted area's finest in track and field

By Gary Fallesen

Democrat and Chronicle

Mike DiGennaro and Martin and Greg Ellis proved Saturday that they were the best individuals in their respective track and field events. In the meantime, they helped Rush-Henrietta retain its Section 5 team championship.

But, one area high school coach argued yesterday, "sectionals do not determine the best team, they determine the best individuals."

"I think Rush did a really fine job," said McQuaid Coach Bill Quinlisk, whose team finished second behind R-H in the race for the Class A boys' title. "Their first-place kids came through, but three kids don't make a team."

Another coach said R-H won the sectional title, but "if it had been a dual meet McQuaid would have buried them."

Such was the sentiment that kept McQuaid top-ranked in the final *Democrat and Chronicle* coaches poll, thus earning it Team of the Year recognition. R-H, last year's Team of the Year, finished the high school season ranked second behind the Knights.

Fairport's girls, who were not "under sold" by their coach, Peter Titlebaum, repeated as a *Democrat and Chronicle* Team of the Year. Fairport

remained a unanimous No. 1 selection in the final poll of Rochester area coaches.

McQuaid's No. 1 ranking was not as clear cut.

The Knights, who were 6-0 in dual meets and won four invitationals during the regular season, earned 4½ first-place votes. R-H (7-1), which suffered a single dual-meet loss earlier in the season at Penfield, 82-59, received 2½ first-place votes.

"The big decision," said one panelist, "is how do McQuaid and Rush-Henrietta match up. In a dual meet they simply do not."

McQuaid, which dominated its dual-meet competition, scored in 12 of 17 events Saturday. R-H placed in seven and nearly all of its points came from DiGennaro (first in the long and triple jumps), Martin Ellis (first in the 110- and 400-meter hurdles) and Greg Ellis (second in both hurdle events).

"It just shows again," one coach said, "that the sectionals are a power event. A team with great balance can be beat by a team with one or two outstanding individuals."

Fairport's girls' team also established that it had some outstanding individuals — namely discus and high jump champion Wendy Fee and pentathlon titlist Liz Murphy — but there was no question among area coaches that the Red Raiders were No. 1.

Titlebaum knew all season he had the best team in Section 5, despite its No. 2 ranking much of the regular season.

"I never sold my team short," he said. "I've got a very talented group."
